

Letter of Recommendation

From Rob Davies

To whom it may concern,

I had the privilege of working with Jess Pollard on two occasions, both times as her storyboard supervisor.

Jess is an incredible artist with a natural flair for film-making. Her draftsmanship and design skills are second to none, and her storytelling ability through both acting and shot choices are always very smart and creative.

Anyone who gets to work with Jess is fortunate. She is a team player, very personable, and has great people skills. I would welcome the opportunity to work with her again in a second and cannot recommend her enough.

If you have any questions, please feel free to contact me at (604) 763-2865

Sincerely,

Rob Davies
